

To Our Valued Customers,

Effective Tuesday March 17, 2020 at 8PM, the town of Greenwich has mandated that all body care facilities in Greenwich including Hair Salons, Barber Shops, Nail Salons, and Massage Establishments should cease all operations until May 20, 2020.

We were notified by the local civil preparedness emergency declaration ordered by First Selectman Fred Camillo that closures must begin immediately. We understand that these measures are being done as preventative measures to try to stop COVID-19 in it's tracks.

We at Alternative Hair Solutions understand that these unprecedented circumstances are what is needed to protect ourselves, our employees and our clients. Be assured that as soon as we are able to resume by law, we will work with you to fulfill your needs as quickly as possible.

Please be safe and Thank You for your Understanding
